

Here's what parents are saying about Soccer Shots.....

"He loves it. He talks about the moves he learns and demonstrates to us each move and what the move is called. The lessons are great for the kids and they get involved and feel involved."

"He loves it...every Wednesday when I ask him about his day he immediately tells me about Soccer Shots!"

"She loves it. It has given her a great sense of pride!"

"He loves the group participation in working with other students/classmates."

"Our son looks forward to Wednesdays when he knows he will have soccer. He has demonstrated to us at home some of the skills learned and proudly wears his shirt. As soon as it gets washed he uses it again!"

"My daughter loves it. She looks forward to it every Friday."

"He says he loves it! He has been showing us some of his skills."

"I think Soccer Shots prepared him to play on his team this fall, and has made him one of the better players."

"Our daughter loves soccer shots. She is eager to show us the techniques she learns. As a result, we play more soccer at home with her."

"My son seems to be enjoying himself and looks forward to Soccer Shot days."
